Michael Leonard

The 2016 Colonial Athletic Association Coach of the Year and a five-time Southern Conference Coach of the Year, Michael Leonard begins his 13th season as the Elon University Director of Tennis and Head Men's Tennis Coach, as the Phoenix begins its fourth year in the CAA in the 2017-18 season. Leonard's teams have amassed

an impressive 184-108 record (.630) in dual matches during his tenure. Although the Colonial Athletic Association does not have a conference season, Leonard has guided his teams to a 4-1 mark against CAA teams during his first two seasons after finishing with an astounding 70-16 conference record (.814) in the Southern Conference from 2006-2014 — while establishing Elon as a national power. For his efforts, he was recognized as the SoCon Coach of the Year in 2006, 2007, 2011, 2013 and 2014. Last season Elon completed its second season in the Colonial Athletic Association as the Phoenix recorded a 17-6 overall record. In the 2014 season Leonard guided Elon to one of the greatest upsets in collegiate history as the Phoenix upset 7th ranked Duke 4-3 in Durham. The 2014 team went undefeated in the Southern Conference at 9-0 and finishing 10-5 for the season and earning its highest national ranking ever of #39. Elon went on to win the conference tournament and advance on to the NCAA Championship. Under Leonard tutelage 4 players have qualified for the NCAA championship in either singles or doubles. Cameron Silverman reached his highest national ranking of 19 and Damon Gooch and Philip Nemec reaching a career high of 20. Previously Leonard held the position of Raleigh Racquet Club Director of Tennis and was in charge of one of the largest junior programs in the South. An Elon graduate, he was a member of the 1990 NAIA National Championship team and two time all American. He was also the Elon Male Athlete of the Year and now is in the Elon Hall of Fame.

State staff for two seasons, including as interim head coach in the fall of 2012.
